MINIMAL THOUGHT

MINIMAL THOUGHT

HOW DOES MINIMAL THOUGHT RELATE TO THE QUIETING STATE OF MIND DURING THE ACT OF CREATION?

I HAVE OFTEN BEEN ASKED THE QUESTION 'WHAT ARE YOU THINKING WHILE YOU ARE PAINTING?' MY RESPONSE IS 'HOPEFULLY NOTHING'. WHILE PAINTING, I'M IN THE PLACE WHERE TIME STANDS STILL AND THE MIND IS PURE, AWAKENED, AND ENLIVENED WITH CREATIVE POWER. IT IS, AT IT'S BEST, A PLACE OF PERFECT ALIGNMENT. IT'S A STATE I REFER TO AS THE 'GOLDEN MIND' WHERE THE MIND IS AT REST IN THE HEART. THAT IS WHY I DO WHAT I LOVE. WHEN I PAINT, I SEE THROUGH THE EYE OF THE HEART, THE PORTAL TO THE INVISIBLE REALMS.

'ICON' SERIES 'HERE & NOW'

The 'HERE & NOW' paintings are a playground of light and form vibrating energetically against the retina. The emotional impact of the experience triggers connection to our dynamic nature. The rhythmic motion enlivens our senses - sometimes exciting - sometimes inciting contemplation. When we probe the mystery of our own inspirations, we open ourselves to our inner luminosity. Intuition can guide us to a place of peacefulness through the purity of these forms. Interacting with the paintings, we may experience a spark ... a bridge to the heart. The power and the possibility of these iconic paintings is to find that center ... the 'Here & Now'.
